

# Friend of 4-H Award presented

Each year, one business or individual who has made a contribution to the Westmoreland County 4-H Program is honored as the program's Friend of 4-H. This year's recipient is Kim Ward of Greensburg. Before she became the commissioner or the 39th District senator-elect, Ward was a strong supporter of the 4-H program. She began to learn about 4-H as Hempfield Township supervisor and wanted to learn more. She attended the Multi County 4-H Horse Camp, 4-H Leaders Kick off Dinner and became a big donor and purchaser in the Westmoreland County 4-H Benefit Auction with purchases of more than \$1 million. She donated her own homemade apple pie to be auctioned and made a sizeable purchase at the benefit auction.

As county commissioner, Ward continues to attend the Multi County 4-H Horse Camp to talk to young people about career options and leadership roles in public service.
